PROPHETIC AUTHENTICATION of this Movement

There are countless prophecies from many decades ago to the present day talking about this great end-time movement of God to reclaim the resources of the earth and hand them over to His people to create His kingdom with it- the greatest wealth transfer movement in history of the world.

However, these are two very recent ones that we can find for this material, and please note that we do not know any of these two ministers personally nor are we their supporters nor their beneficiaries.

BACKGROUND

- Compassionate Capitalism also known as “Grazing the Cow you milk” is a new global economic system created by King Charles N. Lambert, of the Resurrected Black Wall Street that promotes bottom-up economic empowerment through issuing Investment Points as rebates for consumer shopping. These points can then be used to make investments in commercial projects for financial returns or in career development through certificates to earn pieces of training.

BACKGROUND

- Compassionate Capitalism is a project of the Kingdom of the God of Abraham and has several features which when fully implemented, will heal the earth of poverty, injustices, and discriminations culminating in the utopia type heaven on earth communities for the world as seen in the ancient Black Wall Street community which was violently destroyed in 1921 and resurrected 100 years later in 2021 by King Charles N. Lambert.

BACKGROUND

- This high-level poverty alleviation concept will have a major focus on job creation to create jobs for over 300 million youths through the industrialization of the continent via the direction of investment points and increased market access for local production.

BACKGROUND

- The face and facility for this all-important job creation and community economic empowerment are known as the Pan African Job Centers and are being set up in 13,000 locations across Africa each catering to 100,000 Africans. Pan Africa Job Centre: <https://vimeo.com/648486661> (See video of Pan African Job Centre facility-add facility video)

BACKGROUND

Enabling Environment

- The highly profitable yet highly impactful Pan African Job Centers are supported through enabling environment provided by the most senior African leaders led by His Excellency President Yoweri Kaguta Museveni.

HOW THE KINGDOM OF GOD WILL COME

- Too much confusion on how the kingdom of the God of Abraham shall come; heaven will part, fire will fall, thunder and lightning, angels descending with it and all manner of mumbo jumbo.

- The Lord Yeshua the Christ warned us about this derailing confusion in the scriptures when He said **“The Kingdom of God will not come with observable signs such that you will say, look here it is or look there it is but that**

the kingdom of God is within you,

it will come out from within you, the believers!
(Luke 17:20-21)

HOW THE KINGDOM OF GOD WILL COME

- He also said,

**"THE KINGDOM OF GOD
REQUIRES VIOLENCE
AND ONLY THE VIOLENT
TAKES IT BY FORCE"**

Matthew 11:12

HOW THE KINGDOM OF GOD WILL COME

- Then he also said,

“RIGHTEOUSNESS, •
peace, and *joy*

that is the Kingdom of God”

Romans 14:16-18

HOW THE KINGDOM OF GOD WILL COME

- Finally, He taught us to pray

**“OUR FATHER
WHO IS IN HEAVEN,
hallowed be thy name -
Thy kingdom come,
Thy will be done on earth
as it is in heaven...”**

Matthew 6:10

HOW THE KINGDOM OF GOD WILL COME

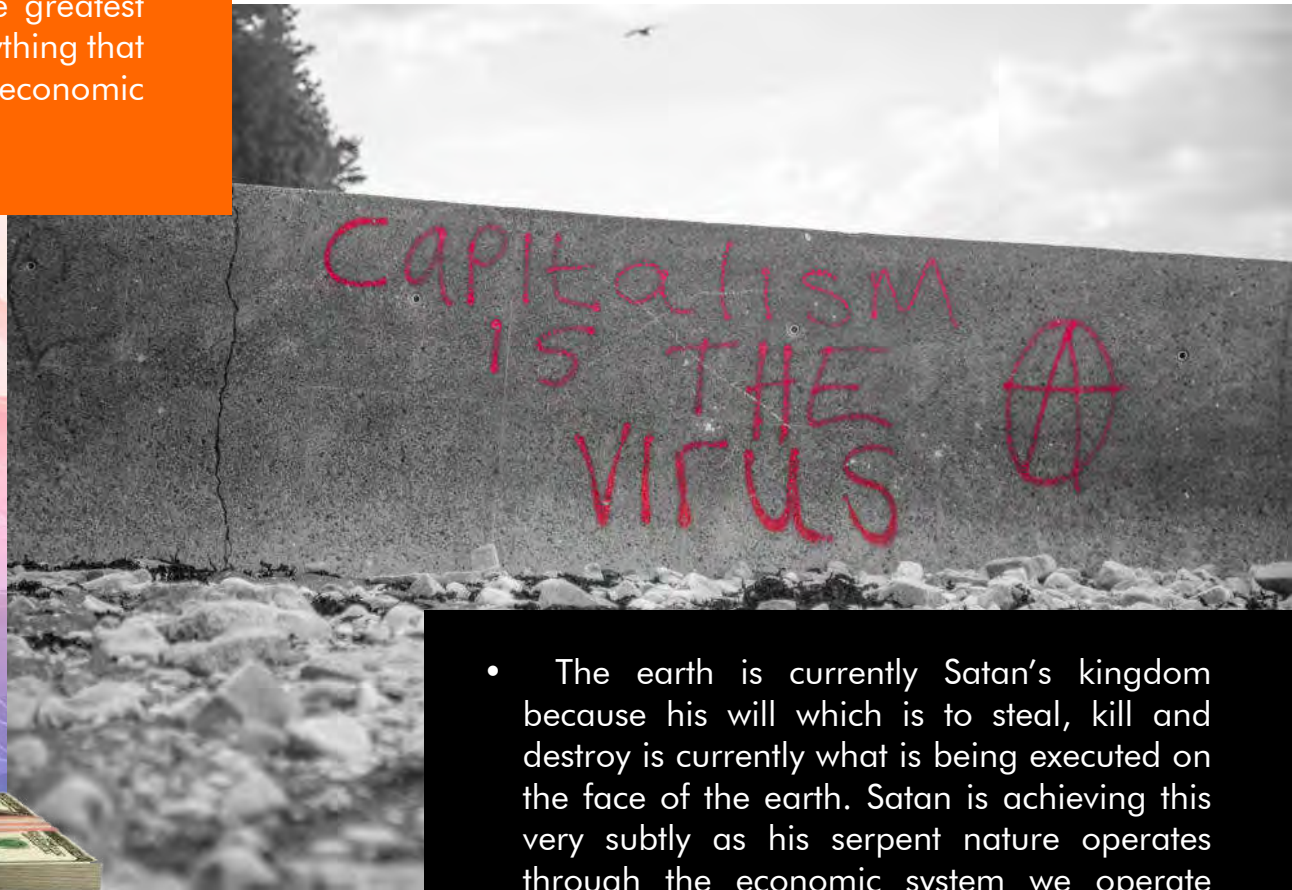

- This means it's the implementation of the will of God on earth that will birth His kingdom on earth not a magical act of the heavens.

- ***Kingdom means the influence of the will of a king on the affairs of men*** and clearly, these scriptures tell us that the Kingdom of God is a thing that will come by ensuring that the influence of the will of God in the eradication of poverty, access to housing, healthcare, job creation, access to basic amenities, etc are executed in the lives of men.

HOW THE KINGDOM OF GOD WILL COME

- Scriptures say “Money answers all things” so the greatest influence on our way of life on earth affecting everything that has to do with our well-being is money and the economic system we operate in.

- The earth is currently Satan’s kingdom because his will which is to steal, kill and destroy is currently what is being executed on the face of the earth. Satan is achieving this very subtly as his serpent nature operates through the economic system we operate called Capitalism.

HOW THE KINGDOM OF GOD WILL COME

- How we know that Capitalism is a satanic system is through the guidance of the word of God which says that by their fruits we shall know them. Capitalism has three basic doctrines.

- One principal doctrine of capitalism is “**Survival of the Fittest**” which means that those who don’t have the means should perish. This is satanic.
- Another doctrine of capitalism is “**Winner takes all**” which promotes greed and selfishness, this also is satanic.
- Another doctrine of capitalism is the “**pursuit of highest aspirations**” which comes directly from the same message the serpent gave Adam and Eve when he said to disobey God and eat a thing because it will elevate them to the highest possible realm. This also is satanic.

- Now since we have established that a kingdom is the influence of the will of a king on the people and we already know from the scriptures that the will of Satan is to steal, kill and destroy. Then when we look further at the impact of Capitalism, we see the machinery for achieving the will of Satan as it invariably leads the earth to unending poverty, death, diseases, destruction, discrimination, injustices, and gross instability. The world is a very sad place to live for the majority of people!

HOW THE KINGDOM OF GOD WILL COME

- To change the earth from being the kingdom of Satan to the Kingdom of God will then require a change to the global economic system and the Lord God of Abraham guided Charles N. Lambert to write and implement the principles of a new economic system known as “Compassionate Capitalism”.

- Among its many humane features is a focus on consumer empowerment through awarding of investment points for every purchase, a focus on need basic human needs, development rankings, a democratic economy, individual economic value, consumer education, and the like.

5 SIGNIFICANT ADVANCES to Capitalism by Compassionate Capitalism

COMPASSIONATE CAPITALISM

- ✓ Communal Gain
- ✓ Contentment
- ✓ Meet Basic Human Needs
- ✓ Empower the Consumer
- ✓ Take responsibility for the well-being of the market participants.

HOW THE KINGDOM OF GOD WILL COME

- Through your understanding and participation in Compassionate Capitalism, we pursue, overtake and recover the earth's resources from satanic dominion, execute the greatest transfer of wealth since the history of the earth from unbelievers to believers and subsequently usher in the Kingdom of the God of Abraham fulfilling the prophecy of Christ that the kingdom of God is within us.

WEALTH TRANSFER TO PASTORS/EVANGELISTS THROUGH **franchising**

- We are implementing Compassionate Capitalism in 28 basic human need sectors because the Lord God of Abraham has the will of fairness and contentment and wants to see everyone on His earth have access to their basic needs.

WEALTH TRANSFER TO PASTORS/EVANGELISTS THROUGH FRANCHISING

• These 28 basic human needs sectors include but are not limited to access to periodic income, access to credit, housing, water, electricity, food, healthcare, IT, justice, education, business empowerment, gender equality, emergency relief, environment, elderly care, transportation and communications infrastructure, human values development and more.

WEALTH TRANSFER TO PASTORS/EVANGELISTS THROUGH FRANCHISING

- Through Compassionate Capitalism, the earth's resources will be recovered and redirected to focus on the basic needs of man, starving those who are currently wasting it on nuclear and atomic weapons pursuit, space development, and the like of these funds.

WEALTH TRANSFER TO PASTORS/EVANGELISTS THROUGH FRANCHISING

- The Lord God of Abraham wants the new custodians of the new world's economy to be His people because the **scriptures say it is an abomination for the slaves to ride on the back of horses while the princes walk on foot (Ecclesiastics 10:7)**. This is God's earth and it is hence illogical for those who don't believe in Him to control its resources while His people beg for offerings and tithes.

WEALTH TRANSFER TO PASTORS/EVANGELISTS THROUGH FRANCHISING

- Under this new global economic system, we have created hundreds of empathy-driven, innovative, and highly humane franchise businesses in the 28 basic human need sectors which help to increase access to basic human needs for all the people of the earth.

FRANCHISE OPPORTUNITY

- Franchising is an awesome opportunity to be the owner of these businesses, bringing important solutions to mankind without the risk of failure by simply implementing the already laid down systems and enjoying the brand recognition and trust that comes through franchise businesses.

WEALTH TRANSFER TO PASTORS/EVANGELISTS THROUGH FRANCHISING

OPEN

sensible business ownership

- This opportunity is therefore offering ownership of various need-based franchise businesses to be built from scratch in your region for you and owned by you as a leader of believers in God's Kingdom without you paying the tens of thousands of dollars that are usually required in franchise ownership.

WEALTH TRANSFER TO PASTORS/EVANGELISTS THROUGH FRANCHISING

- Very importantly, through owning these franchises, you will have a new image as a restorer of the earth/up lifter of mankind and new money through business profits without requesting infidels to give you **tithes and offerings**- a practice which has brought more shame and ridicule to the name of the God of Abraham than everything else combined.

VARIOUS FRANCHISES

- There are various franchises created in the 28 sectors under the new Compassionate Capitalism organized global economy helping to increase access to the basic needs of mankind and solve human problems with innovative solutions.

VARIOUS FRANCHISES

- These franchises include:

The Global Job centers

M7 development secretariats

Construction franchises and countless more.

Ownership of these franchises for you will provide incomes ranging from \$30,000 per annum to \$2,000,000 per annum depending on which one you own and you can own as many as 5 franchises through this kingdom empowerment initiative.

FUNDING SOURCES

FOR YOUR FRANCHISE ESTABLISHMENT

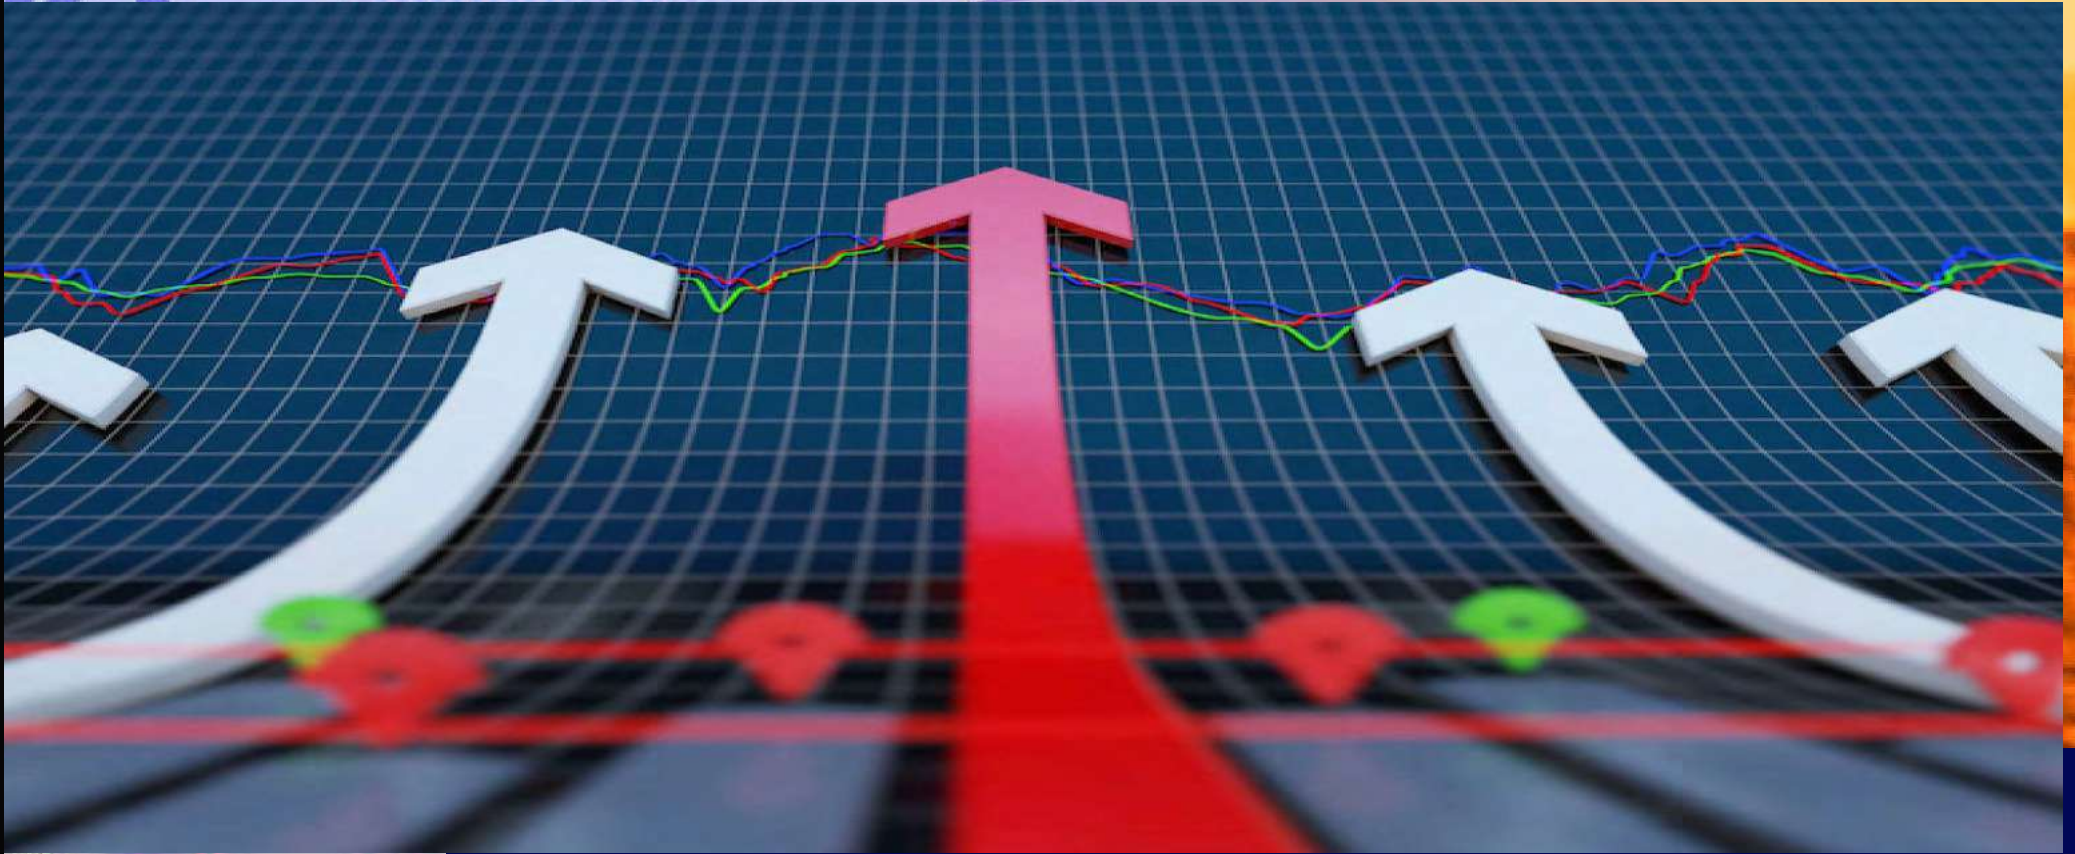

- As a leader of believers taking up this opportunity, you are not paying the tens of thousands of dollars the secular world would normally charge you to own any of these franchises, and even the sales campaign you are required to do for value-based products to qualify, is not enough to fund these franchises for you to own so how exactly is this being funded?

FUNDING SOURCES FOR YOUR FRANCHISE ESTABLISHMENT

- The ownership of these franchises in the 28 basic human need sectors is the ultimate objective towards establishing the Kingdom of the God of Abraham on earth because that will bring His influence to the affairs of man which is the literal meaning of Kingdom.

FUNDING SOURCES FOR YOUR FRANCHISE ESTABLISHMENT

- The entire Compassionate Capitalism economic system is therefore committed to achieving this objective through plowing back of its resources to the establishment and successful implementation of these franchises and their ownership by leaders in the kingdom of the God of Abraham.

FUNDING SOURCES FOR YOUR FRANCHISE ESTABLISHMENT

20%
29%
51%

- There are also consumers using their investment points to own marginal shares in your franchise which means that the Compassionate Capitalism platform and the public provide the funding for your franchise establishment so the equity ownership is allocated as 20% to the Black Wall Street, 29% to the public and 51% to you.

**Millions of US Dollars?
Billions of US Dollars?
Trillions of US Dollars?**

Regardless of your estimate, the Compassionate Capitalism economic system has the resources to fund the franchises to be built and successfully implemented for you and the benefit of the world around you.

However, we know for a fact that the Compassionate Capitalism platform is a multi-trillion dollars platform that will reshape the earth to reflect the will of the creator and bring glory, honor, and adoration to the God of Abraham while establishing the dominion of his kingdom on the face of the earth.

MONUMENT FOR YESHUA THE CHRIST

THE MAN WHO DIVIDED TIME

From Bethlehem, a town in land of Judah, son of David,
In a town whose darkness covered the face of the earth,
When men had a God for the lowly and the poor,
When humble, unknown, despised, and poorly clothed the day,
In a town whose words of wisdom were sought for,
And truth could be learned in diamonds,
O God be merciful!

Conceived of the Holy Spirit, born of a virgin yet in the full time of a child,
The King, the Messiah, the hope of the world and Savior of men in a manger,
The Lord of Lords, yet the son of a carpenter,
The Prince of Peace and King of a kingdom of which no man knew,
God manifested in flesh and blood.

And, he respected his others although he created them,
Heaven for the heavens and earth for the earth,
And he did not look for glory as the
Lords, but came in a humble
fashion, yet preferred to suffer,
That the work of his hands might
not be in vain, yet he knew
that he would be a single witness
When experimental profane
men were in the world and
the King of Kings was in the land,
The King and Master of the world,
The King who was to be the best of all,
While the others were to be the best of their kind.

His words gave knowledge; his actions taught wisdom
and love; the great and the lowly,
He had neither history nor money yet had the multitude,
He had the reputation of that their faith was
in him, he commanded the wind and walked on water,
A friend of the oppressed, lover of human kind, lover of
the poor and the lowly, lover of the rich and the poor.

He did not harbor with sin, yet his enemies to sin were every other.
A man, short, simple, and gentle yet of it every man knew,
Healed through wonderful operations, yet his enemies
did not believe in him, but they were
convinced that he was the Son of God.

He spent a short time on earth but left an everlasting mark,
A mark which could not be erased and which was not of this world,
And which was not of this world, the whole of creation and the best that ever
was or will be, the King of Kings, the Lord of Lords, the King of
Kings, the King of Kings, the King of Kings,
O God, the Father of Yeshua the Christ and
O God, the Father of Yeshua the Christ!
To him be glory, honor, power and praise, forever and ever,
Amen!
